

CREATURE OF HABIT

1988 © 2022 Roger Lienke

Verse 1

I'm a creature of habit but something's gone wrong
I can't find what I am looking for in the place where you belong
There's a note you wrote and left me
It's not funny but it's true
I'm a creature of habit and I'm really missing you

Verse 2

I'm a creature of habit and I depend on you
To be there when I need you – to walk my troubles through
I don't know what to do without you
I can't believe it – but it's true
I'm a creature of habit and this time I'm losing you

Bridge

I don't pretend to like what's going down
I wish I knew why – it doesn't seem to bother you at all
I must hold on to something or time will surely stop
Though I'm not much of a psychic
For the first time in my life
I can read the writing on the wall

Chorus

I'm a creature of habit and this time – I'm losing you

Instrumental
