(from Gone Missing)

1980 © 1985, 2022 Roger Lienke

Verse 1

Who's always willing – whenever you're not
Who's always cool – whenever you're hot
Who's always ready – after it's over
Who's up and gone – before it's begun

Verse 2

Who leaves his dishes – stacked in your sink
Who flicks his ashes – into your drink
Who writes his number – up on your wall
Oh who is the greatest – of them all

Chorus

He's the hit and run man
He gets it while he can
He's the hit and run man
He gets it while he can
He'd better take it and run

Instrumental

Verse 3

Give him a reason – give him a smile
Give him your time – if just for a while
He needs you now – more than you know
Don't let him leave – don't let him go

(Chorus)
