

# **I CAN'T GET YOU OFF OF MY MIND**

1994 © 2022 Roger Lienke

## **Verse**

I can't get you off of my mind  
I can't get you off my mind  
Though I may try to  
I haven't had much success  
I guess I'll stay in acute distress  
I can't get you off of my mind  
I guess I don't know how  
But I wish I could get you off it now

## **Bridge**

Your thoughts have a logic  
I know very well  
And your eyes shine like diamonds and rubies

## **Tag**

I can't get you off of my mind  
I guess I don't know how  
But I wish I could get you off it now
