

IN THE MOOD TO GO

Verse 1

I wanna take you to the Mardi Gras
Honey do you feel all right
Driving through the country in an open car
Honey do you feel all right
Wheeling down through Louisiana – northern Alabama
Drivin' like a wild man – gonna get a sun tan
Oh – I'm in the mood to go

Verse 2

After New Orleans we'll head to Florida
Take a Caribbean cruise
Smokin' dope come all the way from Panama
Shaking off the stateside blues
Got a cottage in the highlands on the Virgin Islands
Overlook the ocean – everything slow motion
Oh – I'm in the mood to go

Verse 3

Snorkeling off the Yucatan Peninsula
Lysin' on a sunny beach
Talking 'bout the fun we had in Bogata
And the friends we could not reach
Down in Rio de Janeiro – pounding on a barrel
Beating on a steel drum – acting like a real bum
Oh – I'm in the mood to go
