

THIS TOWN'S NOT BIG ENOUGH

2002 © 2022 Roger Lienke

Chorus

This town's not big enough for both of us
This town's not big enough for both of us to stay
This town's not big enough for both of us
So - at high noon - in front of the saloon
I'll meet you in the street today

Bridge 1

It's suicide - holding on to someone
Who would rather see you dead
And buried in this life instead
Of being alive
Oh ...

Bridge 2

But my life is so much better
Since my heart let go of you
And I hope that God forgives me
For what I'm about to do
God forgive me - God forgive me
Whoa - oh ...

Instrumental

This town's not big enough for both of us to stay
This town's not big enough for both of us
