

# GONE VIRAL

unbridled  
tendencies  
become  
stone directives

immobilizing the forgotten  
into fractured  
fragments

of finely  
honed

crystallized damage

Traveling  
in defiant and deafening  
denial as  
Heat-seeking missiles  
Searching out  
the seeds of desire

where bitterly bent

explodes  
possibility back out  
of the water  
into the  
next  
conclusion
